Bedroom

Craster is renowned for supplying beautifully-crafted products to hotels across the globe. Our heritage lies in creating elegant in-room dining and service trays, a product area we still pride ourselves in.

From amenities presentation to tea service and luggage racks, Craster products have been gracing the rooms of premium hotels for almost 30 years. Alongside our catalogue products, we also offer a bespoke product design service, working closely with our clients to create unique in-room guest experiences.

“Bedroom and hospitality are our heritage; this is where the Craster story began. Now, more than ever, we are delighted to offer this range of luxurious, intelligently-designed products that enable hospitality brands to engage with their customers and generate loyalty.”

Wave Tray

Understated elegance complements the underlying innovation behind the Wave Tray. Designed with a robust non-slip rubber over moulding, the tray surface will never peel, meaning reduced replacements and a dishwasher safe, hard-performing finish.

The tray's miniature locating feet are intelligently engineered to allow for aeration when stacked, with no water build up or residue, enabling reduced maintenance and a consistent, high-quality experience.
